

Breaded Alaska pollock

by Mowi

Breaded and pre-fried fish is convenient and easy to prepare. No culinary skills needed, yet a great result. We offer a range of breaded and pre-fried Alaska pollock products, made of juicy, boneless Alaska pollock fillets – either natural or shaped – in different weights and sizes and with various types of coatings. The offer includes natural or parsley-enriched bread crumb coatings, potato coating, wholegrain coating or wholegrain coating with seeds. Our Alaska pollock nuggets come with a natural or parsley-enriched bread crumb coating and are ideal for snacking.

Gepaneerde Alaska pollak 

Colin d'Alaska pané 

Alaska Seelachs in Panade 

The fish comes from MSC certified sustainable fisheries in the Pacific Ocean. The crunch of the crispy bread crumb coating in combination with the delicate flavour and texture of the fish result in delicious and convenient products for all the family.
