

Salmon crumble

by Mowi

Our salmon crumble comes in two different weights. It is composed of juicy chunks of pure boneless salmon fillet – farmed responsibly in the cold and clear waters of the Norwegian fjords – in a butter marinade and topped with a crispy layer of coarse bread crumb. Ideal as a delicious and healthy meal centre: The salmon is rich in omega-3 PUFAs and the crumble adds an extra dimension to the taste experience.

The salmon crumble is quick and easy to prepare in the oven or airfryer.
